Notes

This course utilizes designated bike lanes- roads ARE open to cars BUT during race there is police presence stopping traffic and there are numerous volunteers directing racers. It is IMPERATIVE that racers look behind them before passing and yell "On Your Left" while passing to let other racers know what they are doing. Racers should stay to the right side of the bike lane at all times, unless passing. Map is also available live at <https://www.mapmyride.com/routes/view/2424746053>
