- If you are sick or cannot come for a valid reason - you must let us know via REMIND - **this is an excused absence.**
- If you do not let us know in advance or just do not show up (Saturdays, school sessions, after school sessions OR evening nutrition sessions) that counts as an **unexcused absence.**
- If you have more than 3 UNEXCUSED absences- you may be cut from the program.

# Cost and Commitment

- **i-tri provides ALL training and equipment necessary at NO COST to participants and their families.** It costs approx. \$2,000 per girl- which is raised through grants, donations and fundraising efforts. Girls and their families are expected to participate in these efforts.
- The girls participate in a POINTS system that encourages independent fundraising opportunities and supporting one another. For example: girls earn points for giving other girls rides to and from i-tri training events, or for asking a business to sponsor our race, having a bake sale or donation jars
- Each girl will be asked to raise \$100 in support of her SWIMATHON! Fundraising pages will be created for each girl which girls/families can share via email and social media with family and friends

# Cost and Commitment

- We do however ask that, since this is a GOAL BASED Program, that families REGISTER and pay the \$45 registration fee for the Hamptons Youth Triathlon now as a sign of their family's commitment to their daughter's success. If you are not able to cover this fee - please let us know and we will provide financial aid.
- i-tri makes a Huge Commitment of time, money and resources to make sure that EVERY GIRL has EVERYTHING she needs to complete her goal. Participants and their families must make the Commitment to participate fully and make EVERY EFFORT to attend all trainings and activities.
