

Hamptons Ride & Wine

**SATURDAY
SEPTEMBER 30
2023**

This signature i-tri event attracts participants from across the East End, Long Island and New York City.

i-tri's 6th Annual Ride & Wine offers the perfect East End day. Cyclists choose either a 10-or 30-mile ride throughout the Hamptons that takes them along our beaches and through our quaint villages. The ride begins and ends in Bridgehampton at the stunning private Channing Sculpture Garden adjacent to the Channing Daughters Winery. Following the ride, cyclists will join i-tri for a catered lunch and wine tasting—curated by Molly Channing.
